

HOW TO FIND VISTA HEALTH NOTTINGHAM

City Hospital Campus, Hucknall Road, Nottingham NG5 1PB

BY ROAD

The Centre is situated on the A611. If you are following the ring road (A6514) keep on this road until you come to a roundabout junction with the A611 - Hucknall Road). Once you are on Hucknall Road take the 3rd entrance on the right into Hospital Campus Entrance No.1, just after the pelican crossing. The Nottingham InHealth Specialist Imaging Centre is located immediately on the left.

PARKING

Parking can be problematic and we recommend you leave 30-40 minutes to find a parking space. There are no spaces directly outside the Specialist Imaging Centre -the nearest car park is at the Maternity unit (blue car park) but spaces are limited so you may have to wait for a space to become available. Please allow a minimum of 2 hours on your parking ticket. Change is needed as the machines do not accept credit/debit cards.

For information on parking tariffs please refer to the Nottingham University Hospitals Website or contact the hospital parking team directly. www.nuh.nhs.uk.

PARK & RIDE

We strongly recommend that patients use the Medilink park and ride, there is a charge for this service.

You can park for free at either Queens Drive or Wilkinson Street Park and Ride and get a bus to the City Hospital. Buses run every 10 minutes.

The nearest bus stop to the Specialist Imaging Centre is the Day Surgery Unit stop – you will have a short walk down towards Gate 1. Staff at the centre will advise you where to wait for your bus home.
